

Labeler Reference for NDCs included under the Medicaid Drug Rebate Program

Meridian participates in the Medicaid Health Plan Common Formulary. Under the Common Formulary, Medicaid Health Plan formulary coverage is limited to products with a National Drug Code from manufacturers who participate in the Medicaid Drug Rebate Program. The following Medicaid Drug Rebate Program reference is reproduced from the [Drug Manufacturer Contacts](#) reference located on [medicaid.gov](https://www.medicaid.gov).

A manufacturer's labeler code is represented in the first five digits of a product's NDC. Formulary NDCs included under a manufacturer's labeler code are covered according to formulary coding established under the Common Formulary.

If a NDC for a non-MDRP participating labeler is adjudicated on a pharmacy claim, NCPDP error AC (Product Not Covered non-Participating Manufacturer) will be included in the reject messaging.

Meridian may consider making medical necessity accommodations for members who need a non-MDRP participating NDC when all formulary NDCs are unavailable. Prescribers must submit a prior authorization request through [CoverMyMeds](#). For urgent needs, pharmacies can call the Pharmacy Help Desk for assistance at 866-984-6462.

Please note: This reference is up to date as of the date included in the footer below. Updates to the MDRP may occur multiple times each week. For a current list of additional updates, please visit the [New/Reinstated & Terminated Labeler Information](#) reference on the Medicaid.gov website. Medicaid Health Plans apply the optional effective date for new/reinstated labelers. Labelers listed for termination are removed from coverage according to the effective date presented on the Terminated Labelers table.
