

Meridian is now offering a **\$50 incentive** for each notice of pregnancy (NOP) form that providers submit with all required questions answered. Although the required questions are needed to submit the form, we encourage providers to complete the **entire form** to better assist Meridian with identifying member needs. Incentive payments will occur on a quarterly basis and will be made out directly to the provider submitting the NOP form.

Purpose of the Program

Early identification of pregnant members and their risk factors is key to better birth outcomes.

Providers' Role in Notifying Meridian

Providers must notify Meridian of all known pregnancies and should do so using the provider NOP form.

If providers are unable to complete the provider NOP form, they should encourage all pregnant members to complete the member NOP form. However, member NOP forms will not result in the member's provider receiving an incentive payment.
