

## Grant Opportunity for Pediatric & Family Health Providers!

Are you a healthcare provider looking to **expand your services** and **increase access to childhood vaccinations**? Meridian is excited to announce a **grant opportunity for up to \$5,000** to support clinics and offices to become **Vaccines for Children (VFC) certified!**

What This Grant Supports:

- Assistance with VFC Certification Process
- Funding for VFC Equipment

## Who should apply?

This grant is designed for **pediatricians, family health providers, and community clinics** committed to offering free vaccines to eligible children and improving public health outcomes.

## Why apply?

Meridian is dedicated to investing in **accessible, equitable healthcare** by ensuring more providers can participate in the VFC program and serve their communities effectively.

## How to apply:

Visit [www.mimeridian.com/community/grant-program.html](http://www.mimeridian.com/community/grant-program.html) to download your application.

For questions and to submit your completed application, please email [CommunityGrantProgram@mimeridian.com](mailto:CommunityGrantProgram@mimeridian.com).

Together, we can **increase childhood immunization rates** and create a **healthier future** for all!

This scholarship can only be awarded once per lifetime. Scholarship funds must go towards tuition, exams, textbooks, or other course-related expenses. Receipts/proof of purchase must be submitted to the health plan timely via [CommunityGrantProgram@mimeridian.com](mailto:CommunityGrantProgram@mimeridian.com). Once certification is obtained, this must also be sent to the health plan via [CommunityGrantProgram@mimeridian.com](mailto:CommunityGrantProgram@mimeridian.com). If either of the above are not complete, the award must be repaid within 6 months.

Meridian maintains the right to modify or discontinue this program at any time. Funding for this program will not exceed budgeted amounts.
